

NOTICE OF PUBLIC HEARING ON TAX INCREASE

This notice only applies to a taxing unit other than a special taxing unit or municipality with a population of less than 30,000, regardless of whether it is a special taxing unit.

A tax rate of \$0.5995 per \$100 valuation has been proposed by the governing body of the CITY OF INGRAM.

PROPOSED TAX RATE	\$0.5328	per	\$100
NO-NEW-REVENUE TAX RATE	\$0.3702	per	\$100
VOTER-APPROVAL TAX RATE	\$0.5328	per	\$100

The no-new-revenue tax rate is the tax rate for the 2026 tax year that will raise the same amount of property tax revenue for the CITY OF INGRAM from the same properties in both the 2025 tax year and the 2026 tax year.

The voter-approval rate is the highest tax rate that the CITY OF INGRAM may adopt without holding an election to seek voter approval of the rate.

The proposed tax rate is greater than the no-new-revenue tax rate. This means that the CITY OF INGRAM is proposing to increase property taxes for the 2026 tax year.

A PUBLIC HEARING ON THE PROPOSED TAX RATE WILL BE HELD ON September 28, 2026 at 6:00 PM in the City Council Chambers of the City Hall, 230 State Highway 39, Ingram, TX.

The proposed tax rate is not greater than the voter-approval tax rate. As a result, the CITY OF INGRAM is not required to hold an election at which voters may accept or reject the proposed tax rate. However, you may express your support for or opposition to the proposed tax rate by contacting the members of the city council of the CITY OF INGRAM at their offices or by attending the public hearing mentioned above.

YOUR TAXES OWED UNDER ANY OF THE TAX RATES MENTIONED ABOVE CAN BE CALCULATED AS FOLLOWS:

Property tax amount = (tax rate) x (taxable value of your property) / 100

(List names of all members of the governing body below, showing how each voted on the proposal to consider the tax increase or, if one or more were absent, indicating absences.)

FOR the proposal: Claud Jordan, Rocky Hawkins, Brandon Dechert, Robert Kimbrough, Christopher McLachlan
